

Call for Peer Review Committee Members 2018-2019

The [Canadian Foundation of Dental Hygiene Research and Education](#) (CFDHRE) is seeking individuals with a strong track record of research, grant proposal development, and peer review experience to serve on its Peer Review Committee.

Peer Review Committee Mandate

The mandate of the CFDHRE Peer Review Committee is to review and appraise the grant proposals submitted by applicants for the Foundation's competitive grants and to advise the Foundation with respect to continuous quality improvement in the review process.

Timelines

Responsibilities	2018 Timelines
Participate in a calibration teleconference meeting	February
Complete the Conflict of Interest form	March
Review proposals in a fair, objective, and timely manner	March
Return the completed evaluation forms for each reviewed grant proposal	April
Participate in final consensus teleconferences	May

Applications and Qualifications

Interested applicants should submit a statement of interest and CV outlining the following:

- *Credentials and Education:* Peer reviewers must be dental hygienists with a minimum of a Master's degree in dental hygiene or related field. Consideration may be given to those close to completion of a graduate degree.
- *Research:* a list of their published research within the last 10 years.
- *Experience developing successful grant proposals*
- *Peer Review:* experience reviewing manuscripts, grant proposals and conference abstracts.

Contact Information

Questions and applications can be directed to Paula Benbow, CFDHRE Program Director, at pbenbow@cfdhre.ca. Interested applicants should submit their CV and statement of interest by **December 30, 2017**.
