

2021 Peer Review Recruitment

March 2021

Funded projects from the Canadian Foundation of Dental Hygiene Research and Education (CFDHRE) involve the evaluation of applications by a group of selected reviewers with a strong track record of research, grant proposal development, and peer review experience.

The mandate of CFDHRE's Peer Review Committee is to review and appraise grant proposals submitted by applicants for the Foundation's competitive grants and to advise the Foundation with respect to continuous quality improvement in the review process.

CFDHRE recruits reviewers based on the criteria outlined below.

- **Credentials and Education:** Dental hygienists with a minimum of a Master's degree in dental hygiene or related field. Consideration may be given to those nearing completion of a graduate degree.
- **Research:** Published research within the last 10 years (list required*).
- **Experience:** Prior experience developing successful grant proposals and reviewing manuscripts, grant proposals and/or conference abstracts.

CFDHRE anticipates the following responsibilities and timelines for the peer review committee during March-April 2020:

- Calibration teleconference meeting.
- Conflict of interest declarations.
- Evaluate proposals (written ratings).
- Final consensus teleconference meeting(s).

The recruitment deadline is March 12, 2021.

If you meet the above reviewer criteria and wish to state your interest in becoming a reviewer to support the current competition, email CFDHRE with the subject "CDFHRE 2020 Peer Review Recruitment Submission" by with the following:

1. Your statement of interest.
2. Your CV.
3. *A list of your published research within the last 10 years.

Applications and questions can be emailed to:
